

Enrollment Application for Module 1

Working at your own pace, you will follow the instructions provided by Westlawn, and you will submit assignments for each of the lessons. A certificate of completion will be awarded to you after you have completed all lesson assignments, each with a score of at least 75%. Enrollment in further Modules requires successive completion of each module numerically. Upon completing all four modules, a diploma of Yacht Design and Naval Architecture will be awarded.

Westlawn will provide you with instructor services consisting of answering questions and grading lesson assignments. We will also sign you up and pay your dues for student membership in SNAME, providing you a means to start connecting with your colleagues in the industry. Westlawn will provide these services for \$100 per month, charged on the 15th of each month. All Westlawn courses are work-at-your-pace, hence the number of months you require to complete the module is up to you.

You may cancel this service at any time after you complete your studies at Westlawn. However, we hope Westlawn services will continue to be valuable to you long after graduation.

Westlawn has no refund policy. You may withdraw at any time by informing the school, and you will no longer be charged \$100 per month for Westlawn instructor and student infrastructure services.

Westlawn will mail all books required for the course with your one-time charge for Tuition and Books. All materials will be sent to the address given below.
